## Lesson Prices

### Try-it-and-See

A 2-hrs one-off trial appointment for beginners and those who are partly-trained.

- £45.00 – saving £45.00! (Equates to £22.50/hr. Full price would be £90.00)

Payment terms: a one-off payment in full.

### Bundles

10 hours for £415.00 (equates to £41.50/hr) saving £35.00 on the bundle! (Full price of bundle would be £450.00)

Payment terms: a one-off payment of £450.00 or, staggered payments agreed in advance. The discount (shown as 'saving') is obtained when the full amount shown for the bundle has been paid. This means that, for instance, you can pay a minimum of £45.00 before each 1hour appointment (£90.00 before each 2-hours appt) until your payments reach the target of £415.00. This would require, for instance, nine payments of £45.00 and one final payment of £10.00.

On the day of the driving test your appointment with me is of 2 hours, and the hourly rate remains the same, so, you can keep 2 of your discounted hours for it (others might charge a special higher rate for test appt day).

### My Full Hourly Rate: £45.00

Also known as the 'standard hourly rate' or 'maximum hourly rate.' This is what you pay if you take only a few appts. The discount for the bundle of 10 hours is calculated from this rate.

### Payment of fees
